Premium Website Package

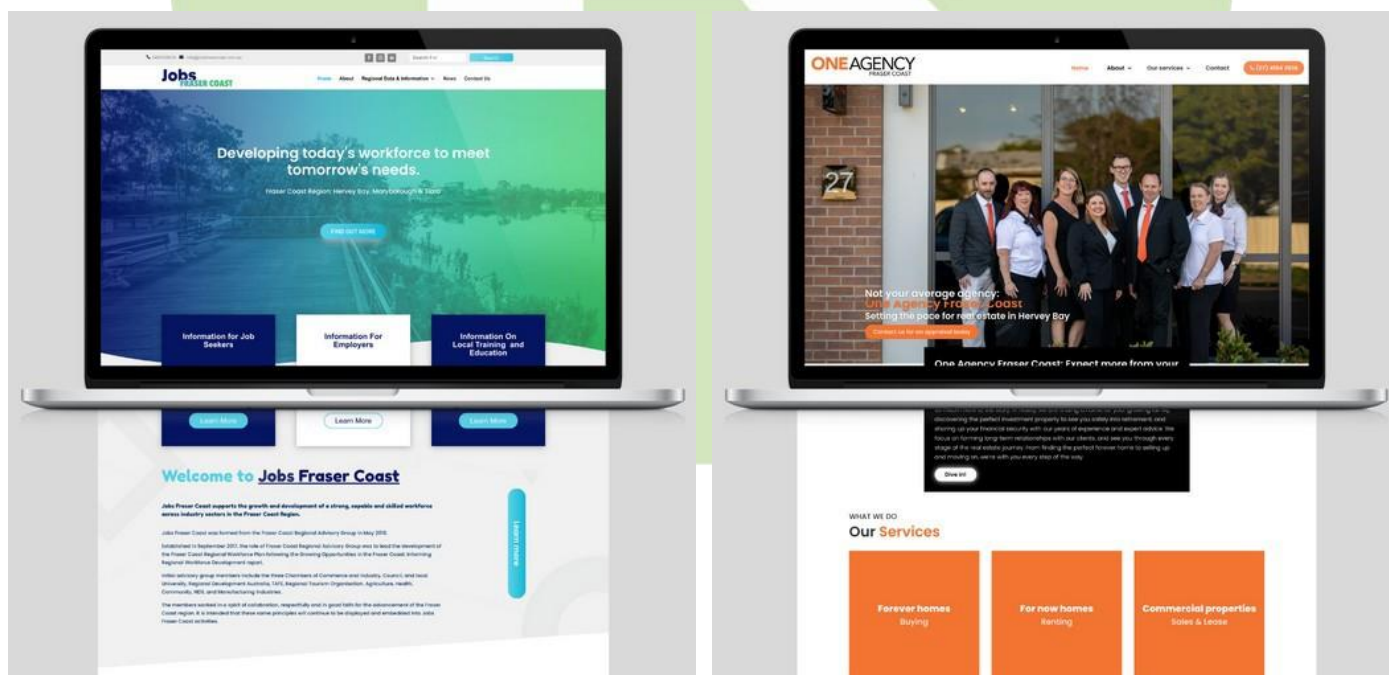

Our Premium Website Package is a WordPress content management system that includes 20 pages along with an enhanced contact form, social media integration, will be mobile-friendly (compatible with mobile devices up to the age of 5 years) and is most suited for sites with more pages and is ideal for larger, more complex website builds.

The Premium Website Package is an investment of \$3,000.00 made by two instalments (first payment will be due after a mockup has been chosen, and the second payment will need to be paid before the site launches).

Website inclusions:

Our website packages include stock photography, however, if you would like to use your own images we are more than happy to use them, we kindly ask that you supply the images you would like used on the site. Unfortunately, should you desire professional photography we are unable to organise this for you but we are able to upload any images you provide.

The first year hosting and SSL Certificates are complimentary, however, an annual fee will incur for the second year and onwards. Cost of the hosting and SSL Certificate is \$300.00 billed annually inclusive of GST.

Three-Page Website

This website package is an investment of \$999 inclusive of GST and includes a WordPress built three-page design with a standard contact section. The three-page site will be mobile-friendly (compatible with mobile devices up to the age of 5 years) with social media integration.

Small Business Package

Our Small Business Package is a WordPress built website that can have up to 5 pages and is an investment of \$1,500.00 including GST. This website package also has a standard contact page, will be mobile-friendly (compatible with mobile devices up to the age of 5 years), social media integration and content management.

Website inclusions:

Website Additions (Optional Extras)

Website Content:

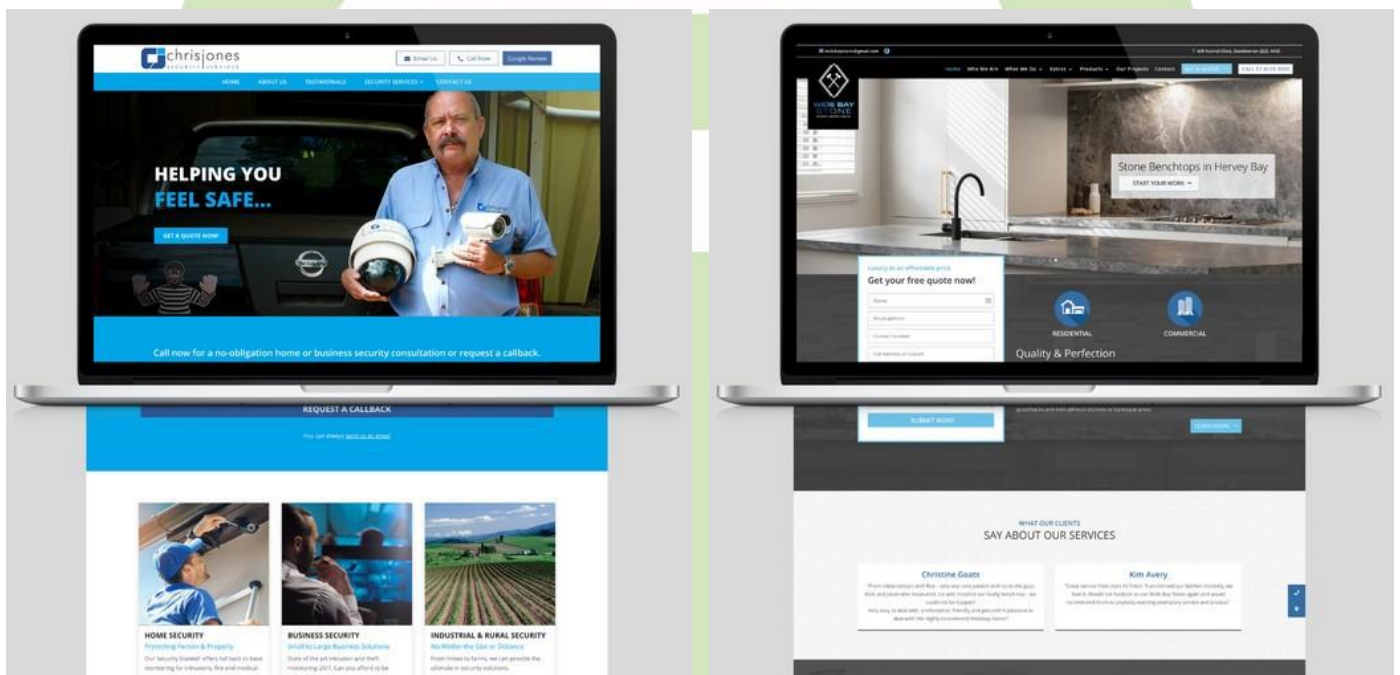

Our website packages do not include content specific to your services. We do ask that you provide content for pages about your business and services. We are able to organise content writing for you should you not have any content on hand. However, we do quote this as an addition to the website prices. This is because we organise custom content specific to your website. If you would like content writing, please let us know and we will be more than happy to assist you.

Domain Registration

We can also assist with choosing and registering a domain name or multiple domains depending on your situation.

A domain name is the address of your website that people type in the browser URL bar to visit your website. For example, Google's domain is www.google.com.

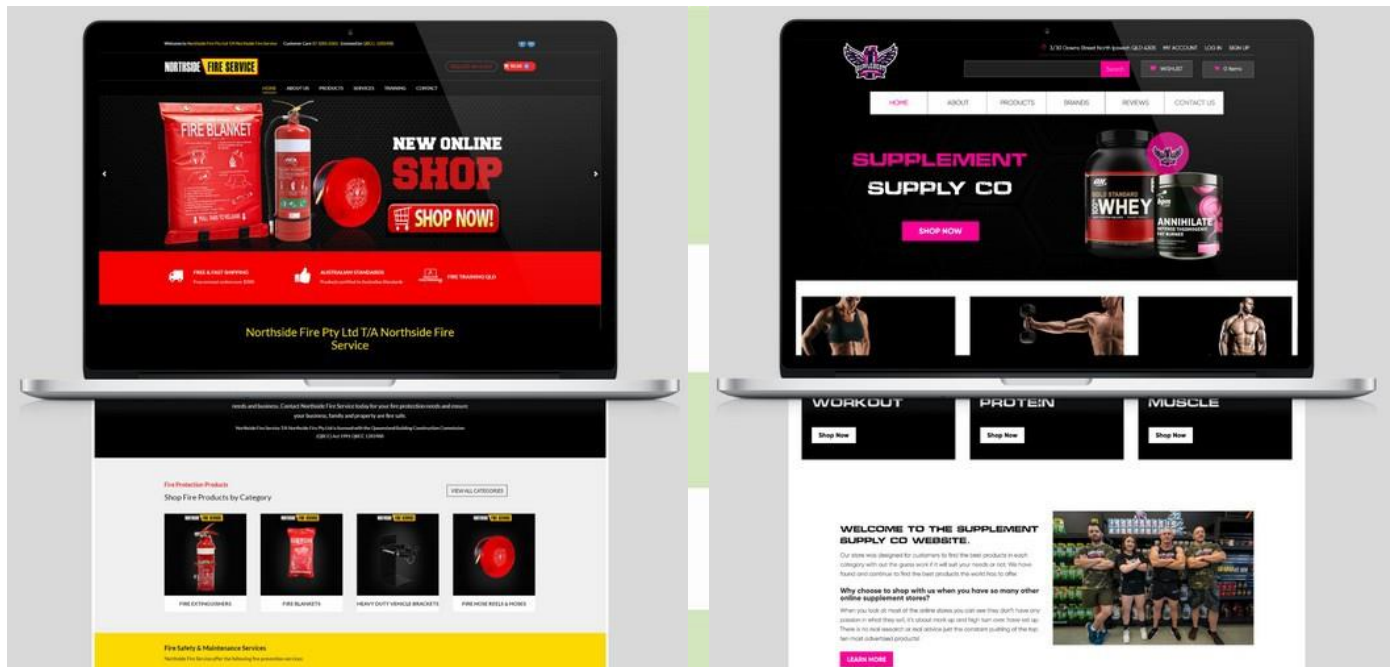

Each domain registration is an investment of \$70.00 inclusive of GST and is valid for 2 years from the registration date.

E-Commerce Website (Woocommerce / Shopify)

Our E-commerce websites are either WordPress/Shopify built site that can have up to 20 non-product pages and easily sell your products online! Our E-commerce sites include social media platform integrations, are mobile-friendly, user friendly and can easily integrate with payment systems!

This package is an investment of \$4,500 made in two instalments (the first payment will be due after a mockup concept has been chosen, and the second payment will need to be paid before the site launches).

Pos System Integration: If you have a POS system for product management we can check its compatibility with Woo Commerce and integrate it.

Please note: while we can integrate your POS system we do not provide POS support in relation to its website functionality, as this is handled by third-party applications and is not controlled by us. We recommend consulting with your POS representative for all questions related to functionality prior to integration to ensure your business's needs are met by your POS system.

This includes the upload of 100 products - products will need to be provided via an Excel sheet.

Additional product uploads - cost \$500.00 per 100 products uploaded to the website.

E-Commerce Website (Woocommerce / Shopify)

Website Inclusions:

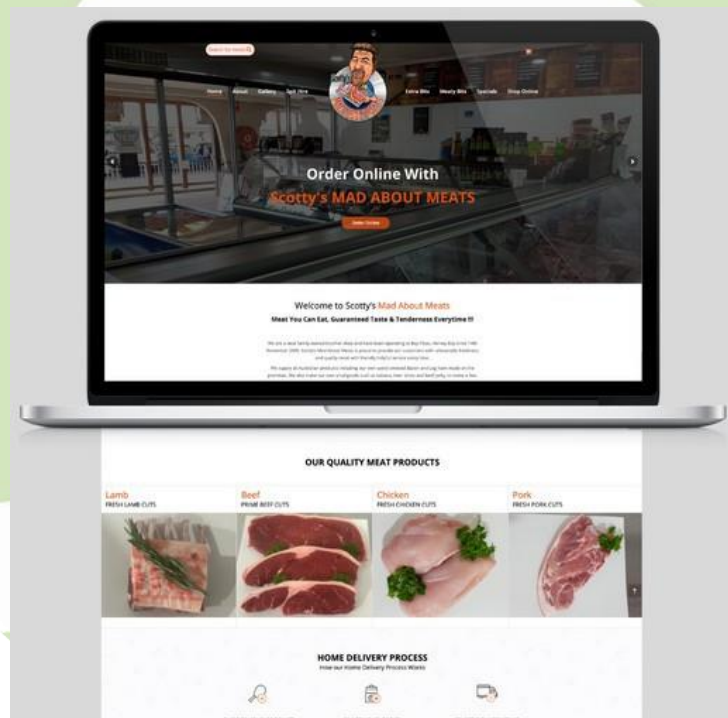

Stock Photography - Is included although we are happy to use your images if you have them.

Please note: we do not include product photography. (unless the Business is located in the Fraser Coast area - we can offer at a cost).

Extras Required For Website

Hosting & SSL certificate: Complimentary for the first year, however, an annual fee of \$300.00 inclusive of GST will incur from the second year onwards (this equates to approximately \$25.00 per month and under \$6.00 per week).

Content Creation: Content will need to be supplied. If you do require content to be written on your behalf, we can arrange a quote for a professional copywriter to write content if required - \$12.00 AUD per 100 words.

If you have an existing website and would like updates made, let us know!

We offer website edits at a minimum hourly rate of \$85.00 inclusive GST with a quote provided before the commencement of any work.
